

FAHRENHEIT (BROKER WEB APP)

Oleh : M. Farhan

Fahrenheit adalah sebuah website yang membantu broker menyediakan jasa untuk membantu para trader dalam membeli paket trading yang dapat digunakan di website Lotus International. Website ini terdiri dari 2 role yaitu User dan Admin yang masing – masing dari role nya memiliki akses dan halaman yang berbeda yaitu *back office* dan *front office*.

Saya dan tim yang terdiri dari 4 orang membangun website ini menggunakan PHP (Laravel), Javascript (Jquery), Mysql dan API MetaTrader. Selain itu terdapat teknologi lain yang digunakan yaitu Serverside Datatable yang dapat menampilkan data yang dibutuhkan saja.

Dalam membangun website ini saya bertugas mengerjakan bagian front office termasuk menerjemahkan UI/UX design kedalam bahasa pemrograman yang mana akan digunakan user dalam melakukan aktifitas pada website.

Sampai pembangunan website selesai saya mengerjakan 95% bagian front office. Berikut ini adalah module – module yang saya kerjakan termasuk menerjemahkan UI/UX design sebagai berikut :

1. Dashboard

Dashboard menampilkan informasi – informasi singkat user dalam melakukan aktivitas di website.

The screenshot displays the 'My Dashboard' interface of the Fahrenheit Broker Web App. On the left is a dark sidebar with navigation links: General (Dashboard, Package, Downline, Support) and Transaction (Deposit, Withdrawal, History). The main content area is titled 'My Dashboard' and features several widgets:

- Robot Wallet:** Shows an available balance of USD 50.00 with 'Withdrawal' and 'Deposit' buttons.
- Commision Wallet:** Shows an available balance of USD 900.00 with a 'Withdrawal' button.
- Last Buy Package:** Lists two 'Newbie' packages, each for USD 550.00, dated Nov 18, 2021.
- Transaction History:** A table listing recent transactions with columns for Type, Date, Status, and Amount.
- Downlinen Team:** A table showing team statistics for Level 1 and Level 2, including Active/Inactive member counts and Sales.

Type	Date	Status	Amount
Deposit	22/11/21 03:28:39	Pending	USD 100.00
Deposit	22/11/21 03:28:07	Pending	USD 100.00
Withdrawal	18/11/21 04:26:30	Approved	USD 100.00
Deposit	18/11/21 03:28:07	Pending	USD 100.00
Withdrawal	17/11/21 10:05:56	Approved	USD 100.00

Level	Active	Inactive	Sales
Level 1	2 member	0	\$0.00
Level 2	1 member	0	\$0.00

2. Package

Pada package user dapat membeli paket trading. Dengan membeli paket trading user akan mendapatkan voucher yang nantinya dapat digunakan dalam membuat akun MetaTrader pada website Lotus.

7. Manage profile

Dalam menu manage profile ini terdiri dari beberapa fungsi yaitu :

1. My Profile untuk mengubah menambah / mengubah data payment account.

The screenshot displays the 'Manage profile' interface with a dark sidebar on the left containing navigation links: General (Dashboard, Package, Downline, Support) and Transaction (Deposit, Withdrawal, History). The main content area is divided into three sections:

- My Profile:** Displays user information for 'Lotus 2' including Mobile Number (088888888889), Country (United Arab Emirates), and Email (farhanmahesa30@gmail.com). A red 'Reset Password' button is located at the bottom.
- Bank Account:** Displays bank details for 'Lotus 2' including Bank Name (23234534345456), Bank Account (BCA), Bank Branch (eew), and Swift Code (232). The Submission Status is 'Approved'. An 'Edit Bank Account' button is at the bottom.
- USDT TRC:** Displays USDT TRC Address (98765432345678trcs) and Submission Status (Approved). An 'Edit USDT TRC' button is at the bottom.
- USDT ERC:** Displays USDT ERC Address (23432343erc) and Submission Status (Approved). An 'Edit USDT ERC' button is at the bottom.

2. Reset password untuk memperbaharui password.

The screenshot shows the 'Resetting My Password' form within the 'Setting' menu. The form includes the following fields and buttons:

- Resetting My Password:** Section header.
- Enter new password you want:** Instruction text.
- Last Password:** Input field with masked characters (*****).
- New Password:** Input field with masked characters (*****).
- Confirm New password:** Input field with masked characters (*****).
- Reset password:** A prominent green button at the bottom.
